

**Thirty-Third District PTA
Red Ribbon Week-Healthy Lifestyle Awards Program
October 22-30, 2011**

The Red Ribbon Week-Healthy Lifestyle Program serves as a vehicle for schools and councils, along with their communities and individuals, to take a stand for the hopes and dreams of our children through a commitment to drug prevention and healthy lifestyle education. The ultimate goal is the creation of a drug-free and healthier America.

Share with us the programs and activities that have been sponsored and/or conducted by your unit or council. Programs or activities should take place between July 1, 2011 and June 30, 2012.

On a separate piece of paper, describe the one program or activity that you feel was the most beneficial to your school or council. Detail the type of program. How was it promoted? Who was it designed for? Where did the activity occur? Can this program be duplicated in other schools?

Does your unit or council continue to promote healthy and drug-free lifestyles throughout the year? If you do, attach a calendar of events and include a brief description.

Please return this completed form, including any supporting materials, a calendar or schedule of events and a brief summary of your program to the Thirty-Third District PTA office no later than February 28, 2012. Awards will be presented at the district Annual Meeting. If you need any further assistance, please call Sandra Scott, Health Chairman, at (562) 489-0485.
